ORONASAL FILTER MASK

James E. Nelson, Williamsville, N.Y., assignor to Scott Aviation Corporation, Lancaster, N.Y.

Filed Aug. 30, 1965, Ser. No. 86,771

Term of patent 7 years

(Cl. D83—1)

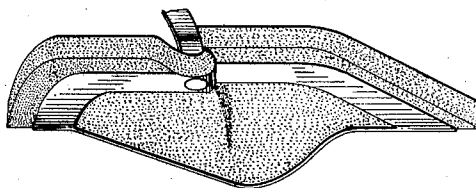

FIG. 2.

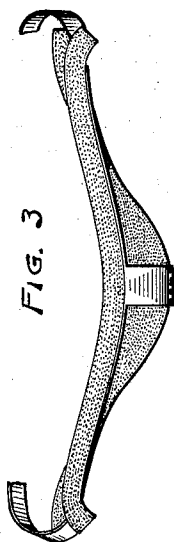

FIG. 3

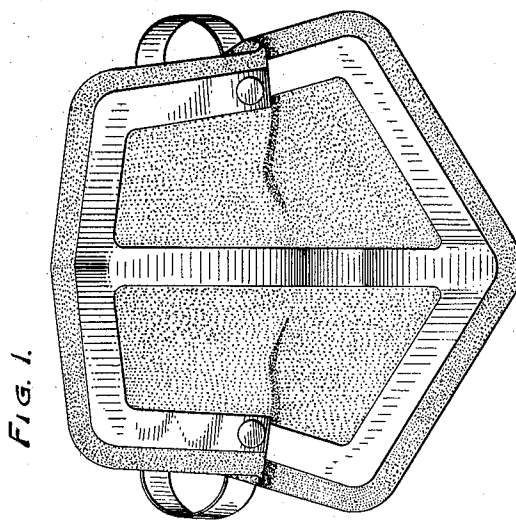

FIG. 1.

FIG. 1 is a front elevational view of an oronasal filter mask, showing my new design therefor;

FIG. 2 is a side elevational view thereof; and

FIG. 3 is a top plan view thereof.

The undisclosed rear portion of the filter mask essentially complements the configuration illustrated on the drawing, except for the omission of the frame and the fold at the opposite sides of the filter mask as best illustrated in FIGS. 1 and 2.

The side not shown is a mirror image of the side shown in FIG. 2.

The headband has been fragmentarily shown in FIGS. 2 and 3 for convenience of illustration.

I claim:

The ornamental design for an oronasal filter mask, substantially as shown and described.
